Settlement Agreement

1. Parties. The parties to this Agreement are P & B Pence, LLC, an Oregon limited liability company, Brad Pence, and Pamela Pence (hereinafter individually and collectively the "Pences"), and Charles A. Sides (hereinafter "Sides"), who make this Settlement Agreement (hereafter "Agreement") for good and valuable consideration as set forth in this Agreement.

2. Recitals. The parties state the following as part of their Agreement in releasing all claims against each other as described herein:

2.1 The parties to this Agreement are named parties in an action in the Circuit Court of the State of Oregon for the County of Marion, Case No. 11C-20216, entitled *P & B Pence, LLC, an Oregon limited liability company, also with an assumed name PBPC, v. Charles A. Sides v. KB Pacific, LLC, an Oregon limited liability company, Brad Pence and Pamela Pence*, in which various claims are asserted. This case is hereinafter referred to as the "Lawsuit."

2.2 The parties have compromised and settled all matters between or among them as set forth in this Agreement.

3. Sides Payment to P&B Pence, LLC. Sides shall pay the sum of \$100,000 in two amounts of \$50,000 by the following two due dates: one payment to be made on or before June 3, 2013; and the second payment of \$50,000 on or before August 1, 2013. Sides may extend each payment date by paying to P & B Pence, LLC the amount of \$2,500 before each due date and upon timely payment of that amount, that due date will be extended by fourteen (14) calendar days. The \$2,500 is in addition to and not a payment on the \$50,000 amount. In the event Sides does not pay any amount due by any due date described in this section, then P & B Pence, LLC shall have the right to present for signing and entry on or after the day after the due date to the Oregon Circuit Court for Marion County, the signed Stipulated General Judgment, a copy of which is attached and marked *Exhibit 1*, and the original of which shall be fully signed and delivered to counsel for the Pences upon signing of this Agreement by Sides. P & B Pence, LLC shall also have the right to submit at the same time with the Stipulated Judgment a motion to set aside any dismissal of the Lawsuit which has been entered, for the purpose of then entering the Stipulated General Judgment. If the amounts due as stated in this section are fully and timely paid the original Stipulated General Judgment shall be returned to counsel for Sides and marked as "paid."

4. Full and Complete Waivers and Mutual Releases/Limited Judgment. The parties waive and release their claims against each other as follows:

4.1 By Pences. The Pences release Sides of any and all claims, charges, actions and lawsuits of every nature and kind whatsoever, known or unknown, suspected or unsuspected, past, present or future, which Pences have or might have against Sides, except the payments due as described in the Agreement. This includes any claim which could hereafter be asserted based on any pre-existing conduct, agreement, relationship or knowledge or alleged knowledge or information, including any claim for fraud or misrepresentation to induce the Pences to sign this Agreement. This release includes a release and discharge of any agents, attorneys or insurers, and their successors, individually and collectively, and any and all other persons who might be claimed to be liable, of and from any and all such claims, charges, actions and lawsuits which are hereby released.

4.2 By Sides. Sides hereby waives and releases the Pences of any and all claims, charges, actions and lawsuits of every nature and kind whatsoever, known or unknown, suspected or unsuspected, past, present or future, which he has or might have against the Pences. This includes any claim which could hereafter be asserted based on any pre-existing conduct, agreement, relationship or knowledge or alleged knowledge or information, including any claim for fraud or misrepresentation to induce Sides to sign this Agreement. This release includes a release and discharge of any agents, attorneys or insurers, and their successors, individually and collectively, and any and all other persons who might be claimed to be liable, of and from any and all such claims, charges, actions and lawsuits which are hereby released.

4.3 Judgment of Dismissal. Upon complete signing of this Agreement and the attorneys for the parties shall sign and file the original form of the Judgment of Dismissal, a copy of which is attached as *Exhibit 2*.

5. Pending and/or Future Claims. The foregoing release includes not only pending claims but any future claims of any kind, nature or otherwise which could have been asserted by either party against the other concerning the subject matters described in paragraph 4 arising from or related to conduct prior to the effective date of this Agreement. The Pences and Sides hereby covenant and agree any and all claims, charges, actions of every nature and kind whatsoever, known or unknown, suspected or unsuspected, past, present or future, which any or all of them had or might have against each other arising from or related to conduct prior to the effective date of this Agreement, are hereby waived and released.

6. Non-admission of Liability. Nothing in this Agreement (or the Agreement itself) shall operate or be interpreted as an admission of liability as to any of the claims, charges, actions and lawsuits released hereby except as otherwise stated in this Agreement or Stipulated General Judgment.

7. Authority to Bind. It is understood that the individuals and the LLC executing this Agreement have the authority to bind themselves and the LLC, and do bind themselves by executing this Agreement. This Agreement may be executed in duplicate original counterparts.

There are no representations, understandings or agreements of any kind except as strictly set forth in this Agreement. The only inducements to enter this Agreement are set forth in this Agreement. This Agreement shall inure to the benefit of each party and their successors and assigns. The terms of this Agreement are contractual and not a mere recital. The recitals are material parts of this Agreement. The captions are for reference only.

11. Complete Defense and Indemnification. The parties understand and agree that this Agreement may be used by either of them as a complete defense to any claim or entitlement that either of them or anyone else may subsequently assert against them for or on account of any matter or thing whatsoever arising out of the matters which are released as set forth herein.

12. Materiality of All Conditions and Obligations. The parties understand and acknowledge that all of the provisions, conditions, and obligations in this Agreement are material and that the non-occurrence or breach of any such condition or obligation by each is not allowed and shall result in each being entitled to assert any and all rights it may have in law or equity.

14. Facsimile or PDF Copy and Counterparts. The parties agree that a facsimile or PDF copy of this Agreement which has been signed is binding on them, and that this Agreement may be signed in counterparts without affecting its validity or enforceability. Re: *Pence v. Sides*
Marion Circuit Case No. 11C-20216
My File: Pence/Correspondence

Dear Judge Norblad:

Plaintiff seeks immediate entry at *ex parte* as agreed by the parties in their written Settlement Agreement of the attached Order Setting Aside the prior dismissal because as it was stated in the written Agreement, if the Defendant did not make a payment by June 3, Plaintiff could immediately apply at *ex parte* for an order setting aside the prior dismissal of this case to allow entry of the attached Stipulated Judgment. My Declaration sets forth these facts with a true copy of Plaintiff's Declaration unless I have obtained the original, and includes a true copy of the Settlement Agreement with highlighting of the pertinent provision.

If we could please be informed by the Court staff if the Order and Stipulated Judgment were signed, it would be greatly appreciated. I am having this delivered to the Court by my clerk because I have to be out of town in another court this morning on another case and could not be personally present, but did not want to delay given all the delay my client has been through with the Defendant.

Thank you for the Court's consideration.

Cordially,

TERRENCE KAY, P.C.

PROMISSORY NOTE

November 4, 2008

\$ 200,000.00

BORROWER: Charles A Sides

LENDER: Bradley K and Pamela Pence

Promise to Pay. For value received, the undersigned Borrower promises to pay to the order of the Lender in lawful money of the United States and immediately available funds, any sums advanced under this Note plus interest on the unpaid portion of the principal sum and all Expenses (defined below).

Nature of Facility. Subject to the terms and conditions of this Note, Lender agrees to lend to Borrower on a revolving basis such sums as Borrower may from time to time request, subject to the limitation set forth below, not to exceed in the aggregate at any one time outstanding the sum of TWO HUNDRED THOUSAND DOLLARS (\$200,000.00). Within such limits of time and amount, Borrower may borrow, in installments of 100,000.00 on two consecutive weeks as needed.

Advances Under Revolving Loan. Advances by Lender under this Note shall be made by deposits or wire transfers of immediately-available funds pursuant to wire transfer instructions to be delivered by Borrower to Lender. Each Request for an Advance must be accompanied by such financial information as may be requested by Lender, which information must be acceptable to Lender in its sole and absolute discretion. The intended use of the Advance will be to lend to Keith Brown Building Materials (KB) the funds received in anticipation of a pending acquisition deal between KB and Mr. Sides. Lender shall have no obligation to make any Advance if any Event of Default exists or any condition or event exists that, with notice, the passage of time or both, would constitute an Event of Default. Any fees, charges or expenses charged to Lender by any other bank for transferring Advances made by Lender pursuant to a Request must be paid by Borrower and shall be charged against this Note as accrued, as a debit to the ledger.

Interest. The Borrower shall pay to the Lender interest, calculated on the basis of a 360-day year for the actual number of days of each year (365 or 366) as follows:

From and including the date the proceeds of this Note are disbursed to and not including the Maturity Date (defined below), the outstanding principal sum shall accrue interest at an interest rate of eight percent (8%) per annum.

Maximum Legal Rate. It is the intent of the Lender and the Borrower that in no event shall such interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "Maximum Legal Rate"). Solely to the extent necessary to prevent interest under this Note from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled and if received by the Lender shall be refunded to the Borrower.

Default Rate. Upon and after the Maturity Date of the occurrence or existence of an Event of Default, the interest rate on the unpaid principal sum shall be increased to five percent (5%) per year above the otherwise applicable rate per year, effective as of the date of the default or maturity. No failure to impose

or delay in imposing this Default Rate shall be construed as a waiver by the Lender of its right to collect interest at the Default Rate for the period from the Maturity Date of the commencement of the default, as applicable, to but not including the earlier of the date (a) the default is cured to the satisfaction of the Lender in its sole discretion; or (b) this Note is paid in full.

Term. This Note shall be paid in full with principle and interest at the time of the funding and proposed acquisition of stock in Keith Brown Building Materials if not otherwise paid the Maturity Date of this Note shall be January 31, 2009

Repayment. Borrower shall pay to Lender in full all accrued and unpaid principal, interest, and Expenses on the Maturity Date.

Late Charge. If the Borrower fails to pay within ten (10) days of its due date any amount owing pursuant to this Note, the Borrower shall immediately pay to the Lender a late charge equal to five percent (5%) of the delinquent amount.

Application of Payments. Each payment pursuant to this Note shall be applied first to accrued and unpaid interest, next to Principal, next to late charges, and finally to Expenses.

Events of Default; Acceleration. In the event of Default under this Note all amounts under this Note shall become immediately due and payable without any notice, demand, presentment or protest of any kind (each of which is waived by the Borrower) (a) if the Borrower commences any bankruptcy or insolvency proceeding, in voluntary, and upon the lapse of sixty (60) days without dismissal if involuntary; (b) at the sole option of the Lender, upon or at any time or from time to time after the occurrence or existence of any other event or condition of Default and the passage of any applicable grace period; and (c) at the sole option of the Lender, upon or at any time after the Maturity Date, regardless of whether the Lender has accepted any partial payments subsequent to the Maturity Date.

Authorized Representative. This Note is issued by Borrower to Lender in connection with a loan limit made available by Lender to Borrower (the "Credit"). Lender may make any advance pursuant to the Credit (the "Advance(s)") in reliance upon any oral, telephonic, written, tele-transmitted or other request (the "Request(s)") that Lender in good faith believes to be valid and to have been made by Borrower or on behalf of Borrower by an authorized person. Lender may act on the Request of such a person until Lender shall have received from Borrower, and had a reasonable time to act on, written notice revoking the authority of such person. Lender shall incur no liability to Borrower or to any other person as a direct or indirect result of making any Advance pursuant to this paragraph.

Lender Records Conclusive. Lender shall set forth on a schedule maintained on a computer, the date and original principal amount of each Advance, the date and amount of any fees, charges or expenses debited against this Note. No failure by Lender to make, and no error by Lender in making, any annotation on any such schedule shall affect Borrower's obligation to pay the principal and interest of each Advance or any other obligation of Borrower to Lender pursuant to this Note.

Purpose. Borrower certifies that all Advances shall be used to lend to Keith Brown Building Materials for working capital, and not for any personal, or any other business purpose.

Expenses. The Borrower shall pay to the Lender or its agents on demand each cost and expense (including, but not limited to, the reasonable fees and disbursements of counsel to the Lender or its agents, whether internal or external and whether retained for advice, for litigation or for any other purpose) incurred by the Lender or its agents either directly or indirectly in connection with this Note including, without limitation, endeavoring to(1) collect any amount owing pursuant to this Note or

negotiate or document a workout or restructuring; (2) enforce or realize upon any guaranty, endorsement or other assurance, any collateral or other security, or any subordination, directly or indirectly securing or otherwise directly or indirectly applicable in any such amount; or (3) preserve or exercise any right or remedy of the Lender or its agents pursuant to this Note (collectively, the "Expenses")

Joint and Several. If the Borrower is more than one legal person, each such person is jointly and severally liable for all amounts which become due under this Note, and the term "Borrower" shall include each as well as all of them.

Cumulative Nature of the Lender's Rights and Remedies. All rights and remedies of the Lender under applicable law, this Note or any related agreement, guaranty or other document are cumulative and not exclusive. No single, partial or delayed exercise by the Lender of any right or remedy shall preclude subsequent exercise by the Lender at any time of any right or remedy of the Lender without notice. No course of dealing or other conduct, no oral agreement or representation made by the Lender or usage of trade shall operate as a waiver of any right or remedy of the Lender. No waiver of any provision of this Note shall be effective unless made specifically in writing by the Lender.

Miscellaneous. This Note, and related security agreements, guaranties and notes, contains the entire agreement between the Lender and the Borrower with respect to this Note and supersedes every course of dealing, other conduct, oral agreement and representation previously made by the Lender. No amendment of any provision of this Note shall be effective unless specifically agreed to in writing by the Lender and the Borrower. This Note shall be governed by the laws of the State of Oregon, without regard to its principles of conflict of laws. This Note is a binding obligation enforceable against the Borrower and its successors and assigns and shall inure to the benefit of and be enforceable by the Lender and its successors, assigns and its agents. If a court deems any provision of this Note invalid, the remainder of this Note shall remain in effect. Section headings are for convenience only. Singular number includes plural and neuter gender includes masculine and feminine as appropriate.

Borrower's Waivers and consents. In any action or other legal proceeding relating to this Note, the Borrower (1) consents to the personal jurisdiction of any state or federal court located in the State of Oregon; and (2) agrees that in any legal proceeding, a copy of this Note kept in the Lender's course of business may be admitted into evidence as an original.

Statutory Notice. UNDER OREGON LAW, MOST AGREEMENTS, PROMISES AND COMMITMENTS MADE BY US AFTER OCTOBER 3, 1989, CONCERNING LOANS AND OTHER CREDIT EXTENSIONS WHICH ARE NOT FOR PERSONAL, FAMILY OR HOUSEHOLD PURPOSES OR SECURED SOLELY BY THE BORROWER'S RESIDENCE MUST BE IN WRITING, EXPRESS CONSIDERATION AND BE SIGNED BY US TO BE ENFORCEABLE.

Dear Chuck,

This letter is about the promissory note you gave us for the money loaned. I have attached a copy of the original note you signed when we loaned you the \$100,000.00. I have also attached a copy of that check to you. Since this note has been due and we have cooperated with you allowing time for you to arrange financing or whatever is needed to pay this note off, I would like you to confirm that this promissory note is due and owing by signing and dating this letter to confirm the attached promissory note is due and owing. Although we have been allowing you time to pay this without pursuing payment, the note remains due and owing as this time and you have no dispute about the principal amount of \$100,000 with interest according to the note also being due. Thank you.

Sincerely,

Brad Pence

Defendant/Third Party Plaintiff

KB PACIFIC, LLC, an Oregon Limited
Liability Company, BRAD PENCE, and
PAMELA PENCE,

Third Party Defendants

Case No.: 11C20216

**ANSWER WITH AFFIRMATIVE
DEFENSES**

**THIRD PARTY PLAINTIFF'S
COMPLAINT AGAINST THIRD PARTY
DEFENDANTS**

(Jury Trial Demanded)

Defendant/Third Party Plaintiff Charles A. Sides, by and through his attorney the Ghiorso Law Firm, appears in this matter, answers Plaintiff's First Amended Complaint, sets forth affirmative defenses, counterclaims, and sets forth Third Party claims against the above-captioned Third Party Defendants.

ANSWER

1.

Defendant/Third Party Plaintiff (hereinafter "Sides") admits paragraphs 1,2,4

2.

Sides denies paragraphs 5,6,7

1
2 3.

3 With respect to paragraph 3 of Plaintiff's First Amended Complaint, Sides admits that he
4 signed a promissory note, which is attached as Exhibit 1 to Plaintiff's First Amended Complaint,
5 but Sides is without sufficient information to admit or deny whether the note was assigned, and
6 to whom it was assigned to.

7
8 **AFFIRMATIVE DEFENSES**

9 **FIRST AFFIRMATIVE DEFENSE**

10 (Accord and Satisfaction)

11 For his First Affirmative Defense, Sides alleges:

12 4.

13 Third Party Defendant Bradley Pence, (hereinafter "Mr. Pence") approached Sides about
14 helping him invest his own money in his business, on or about November 6, 2008. Mr. Pence
15 disclosed to Sides that his wife, Third Party Defendant Pamela Pence (hereinafter "Ms. Pence")
16 would not allow Mr. Pence to invest any further money into Third Party Defendant KB Pacific
17 LLC (hereinafter "KB Pacific").

18 5.

19 Mr. Pence suggested to have Mr. Sides receive funds, and then use those funds to divert
20 into KB Pacific.

21 6.

22 In exchange for diverting those funds into KB Pacific LLC, Mr. Pence was to indemnify
23 and hold harmless Mr. Sides from any repayment of the note which is the subject of Plaintiff's
24 Complaint in this matter, and Mr. Pence further promised to provide business from KB Pacific
25 LLC to a company of Sides. At no time was Sides to expect repayment from KB Pacific, nor
was Mr. Pence to expect repayment from Sides.

7.

Contemporaneously with receiving the funds described in Plaintiff's Complaint, Sides issued a check to KB Pacific, a copy of which is attached to this pleading as Exhibit "A" and incorporated fully herein by this reference.

8.

Sides and Mr. Pence executed at the same time as the payment set forth in paragraph 7, a note from KB Pacific LLC to Sides, a copy of which is attached to this pleading as Exhibit "B" and incorporated fully herein by this reference.

9.

By complying in full with Pence's offer set forth above, Sides discharged any duty owed to Pence.

SECOND AFFIRMATIVE DEFENSE
(Delegation)

For his Second Affirmative Defense, Sides alleges:

10.

Sides incorporates paragraphs 4 through 9, and paragraphs 12 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

11.

Mr. Pence, in having Sides immediately reroute the money given to him, assented to Sides delegation of his duty of repayment of the obligation set forth in Plaintiff's complaint to KB Pacific, rendering Sides with nothing left to perform, and no obligation to Plaintiff.

THIRD AFFIRMATIVE DEFENSE
(Real Party in Interest)

For his Third Affirmative Defense, Sides alleges:

12.

Sides incorporates paragraphs 4 through 11, and paragraphs 14 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

13.

Sides derived no benefit from the funds forwarded to him, and for the reasons set forth above, KB Pacific is the real party in interest against whom this suit should be brought.

FOURTH AFFIRMATIVE DEFENSE
(Failure of a Condition Precedent)

For his Fourth Affirmative Defense, Sides alleges:

14.

Sides incorporates paragraphs 4 through 13, and paragraphs 17 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

15.

In the agreements set forth above, repayment of the obligation from KB Pacific to Sides was a condition precedent to Sides' obligation, if any, to repay the obligation to Plaintiff's assignor.

16.

At no time since executing that note set forth in Exhibit "B" to this pleading, has KB Pacific paid, in part or in total, the obligation owing to Sides.

FIFTH AFFIRMATIVE DEFENSE
(Unclean Hands)

For his Fifth Affirmative Defense, Sides alleges:

17.

Sides incorporates paragraphs 4 through 16, and paragraphs 19 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

//

//

//

//

18.

Plaintiff has brought suit when its principal, Mr. Pence, has engaged in the activity set forth above, and with full knowledge that Sides received no benefit, and only constructive, nominal, control of the sums demanded; and further knowledge that Mr. Pence's own business interests were the direct beneficiary of the sums, and with even further knowledge that KB Pacific has never performed in part or in whole in repaying the sums it has received as set forth in Exhibits "A" and "B" of this pleading.

SIXTH AFFIRMATIVE DEFENSE
(Lack of Consideration)

For his Sixth Affirmative Defense, Sides alleges:

19.

Sides incorporates paragraphs 4 through 18, and paragraphs 21 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

20.

Mr. and Ms. Pence, as assignors of Plaintiff, provided no consideration to Sides under the set of notes executed by the parties, specifically in that the terms of the note set forth in Plaintiff's Complaint provides no further advantage to Sides than what he was to receive from KB Pacific under Exhibit "B" to this pleading.

SEVENTH AFFIRMATIVE DEFENSE
(Fraud in the Inducement)

For his Seventh Affirmative Defense, Sides alleges:

21.

Sides incorporates paragraphs 4 through 20, and paragraphs 26 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

22.

Mr. Pence made material misrepresentations to Sides prior to engaging Sides to execute the two notes on or about November 6, 2008, set forth in the following non-exclusive list of particulars:

- a) That KB Pacific would be fit to repay the \$100,000.00 advanced by Pence;
- b) That KB Pacific would be financially able to contract for lumber services from mills owned by Sides in the near future;
- c) That KB Pacific carried the cooperation of its bank, Wells Fargo, in financially reorganizing the company; and,
- d) That KB Pacific could be sold in part or in whole to Sides if he cooperated with Mr. Pence in executing the notes as set forth above.

23.

Mr. Pence had reason to know the representations set forth in paragraph 22 of this pleading were false.

24.

Sides reasonably relied on the misrepresentations set forth in paragraph 22 of this pleading, to his detriment, when he executed those notes.

25.

The misrepresentations set forth in paragraph 22 of this pleading were material to Sides entering the contracts set forth herein.

//

//

//

//

EIGHTH AFFIRMATIVE DEFENSE
(Innocent Misrepresentation)

For his Eighth Affirmative Defense, Sides alleges:

26.

Sides incorporates paragraphs 4 through 25, and paragraphs 30 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

27.

Mr. Pence made material misrepresentations to Sides prior to engaging Sides to execute the two notes on or about November 6, 2008, set forth in the following non-exclusive list of particulars:

- a) That KB Pacific would be fit to repay the \$100,000.00 advanced by Pence;
- b) That KB Pacific would be financially able to contract for lumber services from mills owned by Sides in the near future;
- c) That KB Pacific carried the cooperation of its bank, Wells Fargo, in financially reorganizing the company; and,
- d) That KB Pacific could be sold in part or in whole to Sides if he cooperated with Mr. Pence in executing the notes as set forth above.

28.

Sides reasonably relied on the innocent misrepresentations set forth in paragraph 27 of this pleading, to his detriment, when he executed those notes.

29.

The misrepresentations set forth in paragraph 27 of this pleading were material to Sides entering the contracts set forth herein.

//

//

NINTH AFFIRMATIVE DEFENSE
(Mutual Mistake)

For his Ninth Affirmative Defense, Sides alleges:

30.

Sides incorporates paragraphs 4 through 29, and paragraphs 33 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

31.

Mr. Pence and Sides discussed, and assumed to be true a number of material assumptions, prior to engaging Sides to execute the two notes on or about November 6, 2008, set forth in the following non-exclusive list of particulars:

- a) That KB Pacific would be fit to repay the \$100,000.00 advanced by Pence;
- b) That KB Pacific would be financially able to contract for lumber services from mills owned by Sides in the near future;
- c) That KB Pacific carried the cooperation of its bank, Wells Fargo, in financially reorganizing the company; and,
- d) That KB Pacific could be sold in part or in whole to Sides if he cooperated with Mr. Pence in executing the notes as set forth above.

32.

The misrepresentations set forth in paragraph 31 of this pleading were material to Sides entering the contracts set forth herein. When such material assumptions in fact were not true, the purpose of the contract was frustrated.

THIRD PARTY COMPLAINT

For his Third Party Complaint, Sides alleges generally:

33.

Sides incorporates paragraphs 4 through 29, and paragraphs 38 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

34.

At all times material herein, Mr. Pence was a resident of Marion County Oregon.

35.

At all times material herein, Ms. Pence was a resident of Marion County Oregon.

36.

At all times material herein, KB Pacific was an Oregon Limited Liability Company, with regular and sustained business activities in Marion County, Oregon.

37.

FIRST CLAIM FOR RELIEF
(Breach of Contract)

For his First Claim for Relief, Sides alleges:

Common to All Counts

38.

Sides incorporates paragraphs 4 through 37, and paragraphs 51 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

39.

Sides is entitled to prevailing party fees, pursuant to ORS 20.190, costs and disbursements pursuant to ORCP 68, and pre- and post-judgment interest pursuant to Exhibit "B" and ORS 82.010 and reasonable attorney fees pursuant to Exhibit "B."

Count 1
(KB Pacific)

39.

As set forth above, Sides immediately transferred the \$100,000.00 received from Mr. and Ms. Pence, and forwarded the same to KB Pacific as set forth in Exhibits "A" and "B" to this pleading.

40.

KB Pacific has materially breached the contract when it failed in any event to pay back the note, or any part thereof.

41.

Sides has not breached the contract in any way and has fully performed under the contract.

42.

Sides has suffered damages in the form of foregone interest, principle, and all other indebtedness evidenced by Exhibit "B."

Count 2
(Ms. Pence)

43.

Upon information and belief, Ms. Pence is a principle and owner of KB Pacific.

44.

As a principle and owner of KB Pacific, Ms. Pence knew, or in the exercise of reasonable care should have known, that her business was in material default to Sides, that the funds Sides received were immediately redistributed to her business, and that Sides had discharged whatever duties, if any, he had to her.

45.

As set forth above, Sides' has already performed fully under the note referenced in Plaintiff's Complaint, and further any payment from Sides to Ms. Pence was conditioned upon KB Pacific's payment to Sides.

46.

By bringing suit to enforce the terms of one note, in the absence of performance of Ms. Pence's company on the other note, performance which was a condition precedent to the discharge of Sides duties, Ms. Pence materially breached the terms of the agreement set forth in Plaintiff's complaint.

**Count 3
(Mr. Pence)**

47.

Mr. Pence is a principle and owner of KB Pacific.

48.

As a principle and owner of KB Pacific, Ms. Pence knew, or in the exercise of reasonable care should have known, that her business was in material default to Sides, that the funds Sides received were immediately redistributed to her business, and that Sides had discharged whatever duties, if any, he had to her.

49.

As set forth above, Sides' has already performed fully under the note referenced in Plaintiff's Complaint, and further any payment from Sides to Mr. Pence was conditioned upon KB Pacific's payment to Sides and/or discharged Sides' duty under that contract.

50.

By bringing suit to enforce the terms of one note, in the absence of performance of Mr. Pence's company on the other note, performance which was a condition precedent to the discharge of Sides duties, Mr. Pence materially breached the terms of the agreement set forth in Plaintiff's complaint.

SECOND CLAIM FOR RELIEF

(Disregard of Corporate Entity)

For his Second Claim for Relief, Sides alleges:

51.

Sides incorporates paragraphs 4 through 50, and paragraph 55 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

52.

Upon information and belief, Defendants Mr. and Ms. Pence were the sole shareholders or members of KB Pacific.

53.

Upon information and belief, Defendants Mr. and Ms. Pence exercised improper dominion and control over KB Pacific, in the following list of non-exclusive particulars:

- a) By treating the entity's assets as their own;
- b) By improperly "milking" the entity's assets to leave the entity without sufficient funds to meet its obligations; and,
- c) By failing to follow corporate formalities;

54.

As a direct and proximate cause of Mr. and Ms. Pence's conduct set forth in paragraph 53 of this pleading, Sides has been left without a meaningful remedy against KB Pacific.

THIRD CLAIM FOR RELIEF

(Promissory Estoppel, Detrimental Reliance)

For his Third Claim for Relief, Sides alleges:

55.

Sides incorporates paragraphs 4 through 54, and paragraphs 60 through 64, and incorporates the same herein, as if set forth fully verbatim, as applicable.

56.

In or around November 6, 2008, Sides was promised by Mr. Pence that KB Pacific LLC would contract with a business entity of Sides, if he agreed to pass Mr. Pence's personal monies through to KB Pacific LLC, as set forth above herein.

57.

In reasonable reliance on the promise set forth in paragraph 56 of this pleading, Sides did pass the money through to KB Pacific LLC, as set forth above.

58.

Sides has relied to his detriment on Mr. Pence's promise, as he has failed to ever collect on the sums from KB Pacific LLC, understanding from Mr. Pence's promise that he was never to collect from KB Pacific LLC, because Mr. Pence would pay himself back.

59.

Sides is entitled to prevailing party fees, pursuant to ORS 20.190, costs and disbursements pursuant to ORCP 68, and pre- and post-judgment interest pursuant to ORS 82.010; and reasonable attorney fees pursuant to Exhibit "B."

FOURTH CLAIM FOR RELIEF
(Unjust Enrichment)

For his Fourth Claim for Relief, Sides alleges:

60.

Sides incorporates paragraphs 4 through 59, and incorporates the same herein, as if set forth fully verbatim, as applicable.

61.

When Sides assisted Mr. Pence in diverting monies into KB Pacific as alleged herein, he conferred a benefit upon Mr. Pence.

//

62.

Mr. Pence, in failing to ever divert the funds back from KB Pacific to himself, to satisfy the arrangement he made with Sides, was enriched by the benefit Sides conferred upon him.

63.

In equity, it would be unjust for Mr. Pence to not have to disgorge any benefit he received from Sides on account of the transactions alleged herein.

64.

Sides is entitled to prevailing party fees, pursuant to ORS 20.190, costs and disbursements pursuant to ORCP 68, and pre- and post-judgment interest pursuant to ORS 82.010; and reasonable attorney fees pursuant to Exhibit "B."

WHEREFORE, Defendant/Third Party Plaintiff Sides requests from the court the following relief:

- a) That Plaintiff take nothing and its claims be dismissed in their entirety;
- b) For his attorney fees expended in defending Plaintiff's suit herein;
- c) That Defendant/Third Party Plaintiff be awarded:
 - i. Damages, in the form of principle, in an amount to be determined at trial, but in any event not to exceed \$100,000.00;
 - ii. Pre- and Post-Judgment interest pursuant to Exhibit "B" and ORS 82.010;

- d) Any other relief the court deems just and equitable.

PROMISSORY NOTE

November 4, 2008

\$ 200,000.00

BORROWER: KB Pacific, LLC

LENDER: Charles A Sides

Promise to Pay. For value received, the undersigned Borrower promises to pay to the order of the Lender in lawful money of the United States and immediately available funds, any sums advanced under this Note plus interest on the unpaid portion of the principal sum and all Expenses (defined below).

Nature of Facility. Subject to the terms and conditions of this Note, Lender agrees to lend to Borrower on a revolving basis such sums as Borrower may from time to time request, subject to the limitation set forth below, not to exceed in the aggregate at any one time outstanding the sum of TWO HUNDRED THOUSAND DOLLARS (\$200,000.00). Within such limits of time and amount, Borrower may borrow, in installments of 100,000.00 on two consecutive weeks as needed.

Advances Under Revolving Loan. Advances by Lender under this Note shall be made by deposits or wire transfers of immediately-available funds pursuant to wire transfer instructions to be delivered by Borrower to Lender. Each Request for an Advance must be accompanied by such financial information as may be requested by Lender, which information must be acceptable to Lender in its sole and absolute discretion. The intended use of the Advance will be to provide working capital to Keith Brown Building Materials (KB) in anticipation of a pending acquisition deal between KB and Mr. Sides. Lender shall have no obligation to make any Advance if any Event of Default exists or any condition or event exists that, with notice, the passage of time or both, would constitute an Event of Default. Any fees, charges or expenses charged to Lender by any other bank for transferring Advances made by Lender pursuant to a Request must be paid by Borrower and shall be charged against this Note as accrued, as a debit to the ledger.

Interest. The Borrower shall pay to the Lender interest, calculated on the basis of a 360-day year for the actual number of days of each year (365 or 366) as follows:

From and including the date the proceeds of this Note are disbursed to and not including the Maturity Date (defined below), the outstanding principal sum shall accrue interest at an interest rate of eight percent (8%) per annum.

Maximum Legal Rate. It is the intent of the Lender and the Borrower that in no event shall such interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "Maximum Legal Rate"). Solely to the extent necessary to prevent interest under this Note from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled and if received by the Lender shall be refunded to the Borrower.

Default Rate. Upon and after the Maturity Date of the occurrence or existence of an Event of Default, the interest rate on the unpaid principal sum shall be increased to five percent (5%) per year above the otherwise applicable rate per year, effective as of the date of the default or maturity. No failure to impose

or delay in imposing this Default Rate shall be construed as a waiver by the Lender of its right to collect interest at the Default Rate for the period from the Maturity Date of the commencement of the default, as applicable, to but not including the earlier of the date (a) the default is cured to the satisfaction of the Lender in its sole discretion; or (b) this Note is paid in full.

Term. This Note shall be paid in full with principle and interest at the time of the funding and proposed acquisition of stock in Keith Brown Building Materials if not otherwise paid the Maturity Date of this Note shall be January 31, 2009

Repayment. Borrower shall pay to Lender in full all accrued and unpaid principal, interest, and Expenses on the Maturity Date.

Late Charge. If the Borrower fails to pay within ten (10) days of its due date any amount owing pursuant to this Note, the Borrower shall immediately pay to the Lender a late charge equal to five percent (5%) of the delinquent amount.

Application of Payments. Each payment pursuant to this Note shall be applied first to accrued and unpaid interest, next to Principal, next to late charges, and finally to Expenses.

Events of Default; Acceleration. In the event of Default under this Note all amounts under this Note shall become immediately due and payable without any notice, demand, presentment or protest of any kind (each of which is waived by the Borrower) (a) if the Borrower commences any bankruptcy or insolvency proceeding, in voluntary, and upon the lapse of sixty (60) days without dismissal if involuntary; (b) at the sole option of the Lender, upon or at any time or from time to time after the occurrence or existence of any other event or condition of Default and the passage of any applicable grace period; and (c) at the sole option of the Lender, upon or at any time after the Maturity Date, regardless of whether the Lender has accepted any partial payments subsequent to the Maturity Date.

Authorized Representative. This Note is issued by Borrower to Lender in connection with a loan limit made available by Lender to Borrower (the "Credit"). Lender may make any advance pursuant to the Credit (the 'Advance(s)') in reliance upon any oral, telephonic, written, tele-transmitted or other request (the 'Request(s)') that Lender in good faith believes to be valid and to have been made by Borrower or on behalf of Borrower by an authorized person. Lender may act on the Request of such a person until Lender shall have received from Borrower, and had a reasonable time to act on, written notice revoking the authority of such person. Lender shall incur no liability to Borrower or to any other person as a direct or indirect result of making any Advance pursuant to this paragraph.

Lender Records Conclusive. Lender shall set forth on a schedule maintained on a computer, the date and original principal amount of each Advance, the date and amount of any fees, charges or expenses debited against this Note. No failure by Lender to make, and no error by Lender in making, any annotation on any such schedule shall affect Borrower's obligation to pay the principal and interest of each Advance or any other obligation of Borrower to Lender pursuant to this Note.

Purpose. Borrower certifies that all Advances shall be used by Keith Brown Building Materials for working capital, and not for any personal, or any other business purpose.

Expenses. The Borrower shall pay to the Lender or its agents on demand each cost and expense (including, but not limited to, the reasonable fees and disbursements of counsel to the Lender or its agents, whether internal or external and whether retained for advice, for litigation or for any other purpose) incurred by the Lender or its agents either directly or indirectly in connection with this Note including, without limitation, endeavoring to (1) collect any amount owing pursuant to this Note or

negotiate or document a workout or restructuring; (2) enforce or realize upon any guaranty, endorsement or other assurance, any collateral or other security, or any subordination, directly or indirectly securing or otherwise directly or indirectly applicable in any such amount; or (3) preserve or exercise any right or remedy of the Lender or its agents pursuant to this Note (collectively, the "Expenses")

Joint and Several. If the Borrower is more than one legal person, each such person is jointly and severally liable for all amounts which become due under this Note, and the term "Borrower" shall include each as well as all of them.

Cumulative Nature of the Lender's Rights and Remedies. All rights and remedies of the Lender under applicable law, this Note or any related agreement, guaranty or other document are cumulative and not exclusive. No single, partial or delayed exercise by the Lender of any right or remedy shall preclude subsequent exercise by the Lender at any time of any right or remedy of the Lender without notice. No course of dealing or other conduct, no oral agreement or representation made by the Lender or usage of trade shall operate as a waiver of any right or remedy of the Lender. No waiver of any provision of this Note shall be effective unless made specifically in writing by the Lender.

Miscellaneous. This Note, and related security agreements, guaranties and notes, contains the entire agreement between the Lender and the Borrower with respect to this Note and supersedes every course of dealing, other conduct, oral agreement and representation previously made by the Lender. No amendment of any provision of this Note shall be effective unless specifically agreed to in writing by the Lender and the Borrower. This Note shall be governed by the laws of the State of Oregon, without regard to its principles of conflict of laws. This Note is a binding obligation enforceable against the Borrower and its successors and assigns and shall inure to the benefit of and be enforceable by the Lender and its successors, assigns and its agents. If a court deems any provision of this Note invalid, the remainder of this Note shall remain in effect. Section headings are for convenience only. Singular number includes plural and neuter gender includes masculine and feminine as appropriate.

Borrower's Waivers and consents. In any action or other legal proceeding relating to this Note, the Borrower (1) consents to the personal jurisdiction of any state or federal court located in the State of Oregon; and (2) agrees that in any legal proceeding, a copy of this Note kept in the Lender's course of business may be admitted into evidence as an original.

Statutory Notice. UNDER OREGON LAW, MOST AGREEMENTS, PROMISES AND COMMITMENTS MADE BY US AFTER OCTOBER 3, 1989, CONCERNING LOANS AND OTHER CREDIT EXTENSIONS WHICH ARE NOT FOR PERSONAL, FAMILY OR HOUSEHOLD PURPOSES OR SECURED SOLELY BY THE BORROWER'S RESIDENCE MUST BE IN WRITING, EXPRESS CONSIDERATION AND BE SIGNED BY US TO BE ENFORCEABLE.

**PLAINTIFF'S REPLY TO DEFENDANT'S
RESPONSE TO PLAINTIFF'S MOTION
FOR SUMMARY JUDGMENT**

Plaintiff files this Reply to Defendant's Memorandum and Declaration by Charles Sides opposing Plaintiff's Motion for Summary Judgment. This Reply is supported by the separately filed Declaration of Bradley Pence, a copy of which is attached. The original will be filed when received.

Simply stated, Defendant Charles Sides has made up a story about what actually happened trying to duck or delay payment of the Promissory Note in this case he signed and has repeatedly affirmed he owes.

Plaintiff is filing a Declaration by Bradley Pence so the court is informed under oath by Mr. Pence about the falsity of Mr. Sides' Declaration. Plaintiff will also be evaluating whether to proceed with its request for oral argument on the Motion for Summary Judgment based on the flurry

**DECLARATION OF BRADLEY PENCE
IN SUPPORT OF PLAINTIFF'S REPLY
TO DEFENDANT'S OPPOSITION TO
SUMMARY JUDGMENT**

18 I, Bradley Pence, hereby declare:

19 1. I am a Member of the Plaintiff P & B Pence, LLC, an Oregon limited liability company,
20 and make this Declaration on my personal knowledge.

21 2. I have read the Declaration of Charles A. Sides which he signed September 30, 2011. I am
22 not responding at this time to each statement in Mr. Sides Declaration but that should not be
23 interpreted to mean I agree with Mr. Sides who has fabricated a story apparently trying to avoid
24 paying the Promissory Note he has repeatedly admitted he owes. Let me explain some background.

25 3. For several months in 2008 before Mr. Sides borrowed the \$100,000, he personally
26 discussed purchasing from me the majority ownership of Keith Brown Building Materials, which

1 involved KB Pacific, LLC. I will refer to this as Keith Brown, the name which most people have
2 known for decades. Chuck Sides wanted to buy the majority ownership of Keith Brown to
3 compliment a lumber mill or operation he had or was buying. Chuck Sides has been involved in
4 many business ventures and made many deals and for this one he received various financial reports
5 about Keith Brown to evaluate. In the fall of 2008, the financial condition of Keith Brown had
6 declined and Mr. Sides was willing to loan \$100,000 to KB Pacific, LLC for the Keith Brown
7 business to assist in keeping Keith Brown operating while he continued putting together purchase of
8 the majority ownership in Keith Brown.

9 4. When we loaned Chuck Sides the \$100,000 and he signed that Promissory Note dated
10 November 6, 2008, I did not state and Mr. Sides did not ask that he be held harmless from any
11 obligation to repay that Promissory Note. Before Mr. Sides signed the \$100,000 Promissory Note he
12 did not ask for a provision or even write a provision into the Promissory Note for my wife and me
13 that he would only have to repay that Note if Keith Brown repaid him or only if he was able to
14 complete his purchase of the majority ownership in Keith Brown.

15 5. After Keith Brown began to wind down its business beginning December 2008, Mr. Sides
16 never told me then or in any of a number of later discussions that he did not owe the \$100,000 to us.
17 In fact, a number of times since Keith Brown ceased doing business Mr. Sides and I have personally
18 discussed him repaying this \$100,000 Note and he never once denied he was obligated to repay it, in
19 fact he continued to say he owed it. He affirmed his debt to us again in writing this year by signing
20 the March 10, 2011 letter labeled and attached as *Exhibit 2* to my Declaration dated August 24,
21 2011, which has been filed with the court in this case.

22 6. When Mr. Sides was loaned the \$100,000 in November 2008, I did not tell him my wife
23 "would not allow" me to invest more money into Keith Brown and did not tell him this loan was a
24 conduit for me to further capitalize Keith Brown. The March 10, 2011 letter was given to Mr. Sides
25 to document his repeated statements this loan is owed by him because he kept giving excuses or

1 explanations why he needed to delay or take other steps to get money before repaying the \$100,000
2 Note. When I asked Mr. Sides to sign this March 10, 2011 letter he was pleased to do so and said he
3 owed the money. I did not tell him this letter was to continue the alleged conduit scheme Mr. Sides
4 has fabricated.

5 I HEREBY DECLARE THAT THE ABOVE STATEMENT IS TRUE TO THE BEST OF
6 MY KNOWLEDGE AND BELIEF, AND THAT I UNDERSTAND IT IS MADE FOR USE AS
